Présentation de l'éditeur

This is the true story of encounters with enlightened beings known in the East as Bodhisattvas, who have attained the Rainbow Body, yet who can and do appear in whatever form they are needed to assist humanity. These are the Gods of ancient myth, known in the West as Ascended Masters. Here are the adventures of one individual as the Masters bring him face to face with his own Higher Self-the I AM Presence. Biographie de l'auteur

When the Master known as Saint Germain materialized before Peter Mt. Shasta in Muir Woods his life was forever changed. Although offered liberation, he chose to remain and serve the Masters in their mission of preparing humanity for the coming changes. Consequently, he was sent to a woman in Mount Shasta by the name of Pearl for instruction. His training led him not only to inner retreats, but also into the world of business and film making in Hollywood. As Carl Marsak says in the Foreword, "Time and again the Masters force him to integrate the profoundest spiritual teachings into daily human life-often with hilarious and/or poignant results".
