Kurzbeschreibung

This Pocket Guide is a concise summary of Itil® V 3. A quick, portable reference tool to this leading standard within the Service Management community. Additionally for readers the processes are covered in a separate section. Ideal for It Service Managers, It Managers, Helpdesk employees, students of Higher education, It trainers, Itil trainers, It consultants. Über den Autor und weitere Mitwirkende Chief Editor Jan van Bon is responsible for managing the content of most of the ITSMF-NL publications. Apart from managing large numbers of publications he also advises small and large organizations in quality improvement projects, and he is a respected and accredited trainer.
